

The Menu – Testimonials

Marje Curry

"Having booked The Menu Band in March 2010 for our sons wedding on 31 July 2010 the attention to detail from Howard Page was superb throughout this period.

The choice of music played on the night was fantastic and at no time was the dance floor empty.

As parents and all of our guests have confirmed everyone appreciated the quality of music by The Menu Band that satisfied all age groups.

We would recommend them to anyone"

Amy & Phil Mulligan from Bolton

We were married on a cruse Loch Lomond boat then went to The Ben Lomond in Tarbet for the reception and evening. The Menu were our chosen band as we'd seen Howard may times over the years in other bands. We'd also seen Gary who used to play with The Sweet. They were top class. We chose most of the songs for them to play and they learnt our first dance song especially for us.

We'd recommend them to anyone wanting a bad for their wedding or function.

We've had The menu on here several times over the last 2 years and they never fail to please our guests. They vary the songs to the audience and lay requests. We can't recommend them highly enough.

Lynn Nicolson – Proprietor – The Ben Lomond, Tarbet.

We've had The Menu play here on several occasions – for weddings and for charity dinner dances. They are a very professional band who play the right material for the audience and keep folk on the dance floor from beginning to the end of the evening. Brilliant.
